# Ride On's Safety Tips

**RIDE ON**  
MONTGOMERY COUNTY TRANSIT

### Inside the Bus...

- ★ Stand behind the white line.
- ★ When you stand, hold on to the bar on the back of the seat.
- ★ Keep the aisles clear.
- ★ Don't lean on the doors.
- ★ Never stand in the rear stairwell.
- ★ Never block the door from closing.
- ★ If there's an emergency, tell the bus driver.

## NEVER CROSS IN FRONT OF A RIDE ON BUS!

### Outside the Bus...

- ★ Never cross the street in front of the bus.
- ★ When getting off the bus, stand away from the curb and wait until the bus leaves the stop.
- ★ When you wait for the bus, stand at the bus stop, back away from the curb.
- ★ Never run alongside the bus as it moves away from the stop—the driver can't see you!
- ★ Cross streets only in designated crosswalks or at intersections.

- ★ Obey all traffic signals.
- ★ Look left-right-left before crossing.
- ★ Watch out for vehicles because they are not necessarily watching out for you.
- ★ Don't take for granted that a driver sees you because you see the vehicle.
- ★ A motorist may not wait for you to cross.

- ★ If you drop something while crossing the street, don't stop to pick it up.
- ★ Keep watching traffic when crossing.
- ★ Remember that you are practically invisible to drivers when it's dark or raining. Wear something reflective, white or light-colored to be more visible.
